

Recycle your old mobile phone, battery and charger now.

Help protect the planet. Post it in for free anywhere in Australia.

Over 90% of the metals and plastics in mobiles will be recovered and used to make new products like fence posts, stainless steel and jewellery.

mobilemuster
Official recycling program of the mobile phone industry

* MobileMuster is the official recycling program of the Mobile Phone industry. It is a not-for-profit program paid for by handset manufacturers and carriers. All recycling of components is to the highest environmental standards. None of the mobiles are sold for reuse.

Please delete all personal information from the phone and break the SIM card. For instructions on how to delete information from your mobile please go to the handset manufacturer's website.

Mobile phones, batteries, chargers and accessories accepted.
